Enclosure No One

With reference to Correspondence ending with Government Proceedings No 7033 dated 27th January 1909 Mil 105-08-10

Submits the report on the sinking of the tube wells in the Shimoga town

Office of the President of the
Municipalities, Shimoga District
No. 261 Dated Shimoga 31st March 09.

From M. Narain Rao Esqr.
President of the Municipalities
Shimoga District

To.
K. S. Chandrasekhara Iyer Esqr. B.A.L.
Secretary to the Government of Mysore,
General and Revenue Departments.

Sir, MR 105-08
SL-13

With reference to correspondence ending with Government proceedings No 7033 Dated 27th January 09 re MR 105-08 the Sinking of tube well at Shimoga, I have the honor to report that the Executive Engineer, Shimoga Division forwards copy of docket No 134 Dated 25 March 09 from the No I Sub division Officer, Shimoga, in which he states that the tube well was sunk to a depth of 13 feet near Durgi Gudi, but rock was met with and that usually in all the wells rock is met with after a depth varying from 15 to 22 and that therefore tube wells are unsuitable for this locality Copy of the Executive Engineers

Memo No 318 forwarding copy of the 80 I Sub Division Officers docket No 1364 dated 5th March is herewith submitted for favor of information

I have the honor to be,
Sir,
Your most obedient Servant
K Ismael Ali
Sr President
8V

From The R&O I Sub Division Officer
Shimoga

To The Executive Engineer,
Shimoga Division

Date 5-3-09
No 136

With reference to Executive Engineer's R&O 112 of 4-3-09 begs to inform that the tubes were sunk to a depth of 13 feet near Dwarji Gudi, but rock was met with, so the tubes will have to be removed, this the municipal overseer was asked to do but the same has not been removed up to date. From the undersigned's experience of the wells round about Shimoga, mostly in all the wells rock is met with after a depth varying from 15 to 20, therefore tube wells are unsuited for this locality as it is not possible to drive the spike at end of tubes through this rock.

Sd/- E. V Mangenoot
R&O I Sub Division Officer
Shimoga

CENTRAL OFFICE,

Bangalore, 29th April 1909

From

W McHUTCHIN, Esq, MICE,

Chief Engineer of Mysore,

Bangalore

Mul 105-08

To

K.S.Chandrasekhara Aiyer Esquire, B.A., B.L., Sl-15

Secretary to the Government of

Hēs Highness the Maharaja of Mysore,

General and Revenue Departments.

SIR,

With reference to your No.10610-1/Mul.105-08-14 dated the 26th instant, forwarding for remarks, copy of letter No. 247 of the 31st ultimo (with copies of enclosures) from the President of the Municipalities, Shimoga District, report-ing the result of sinking a tube well near Durgigudi in the Shimoga Town, I have the honor to inform you that under the circumstances explained it does not seem worthwhile to proceed with experimental well boring in that particular locality, as although attachments for boring through rock are easily procurable, the process of boring in rock is expensive, and as there is very little, if any, likelihood at all of finding water bearing strata below the rock here, the trials may be abandoned in this particular locality.

I have the honor to be,

Sir,

Your most obedient servant,

W McHutchin

Chief Engineer of Mysore.
